Environmental Services Attendant (Core)

Job Summary: The Public Safety Division has a CORE employment opportunity for an environmental services attendant. This position will ensure that water quality, cleanliness, accidental spill clean-up and environmental impact mitigation processes are in place and addressed.

Some highlights of this position are that as long as you complete assigned tasks – it is a very independent position, shifts do not fluctuate with Park operating hours and usually have weekends off, unless testing needs to be done during the weekend.

Pay Rate: Environmental Services Attendant - \$19.90/hr.

Responsibilities: *(This is only a summary of responsibilities and not meant to be exhaustive of all duties.)*

- Prepare and conduct water quality sampling and testing.
- Clean outdoor fresh water drains and channels from leaves and debris.
- Conducting environmental audits such as secondary containment, spill containment kits etc.
- Maintain spill control supplies and inventory.
- Respond to spills and leaks throughout the Park.
- Observe and report suspicious activity or non-compliance to Public Safety Supervision/Management.
- Communicate information to supervision/management in a clear, timely and productive manner.
- Provide excellent service and assist guests and fellow team members with directions or questions.
- Maintain a high level of privacy and confidentiality.
- Wearing proper PPE to include gloves, goggles, masks, etc while handling chemicals.
- Other duties to support the Park at the discretion of Public Safety Supervision/Management.

Qualifications: *(This is only a summary of qualifications not meant to be exhaustive of all qualifications)*

- Must be at least 18 years of age.
- Must possess a State Driver's License in good standing at all times.
- Must have strong self-motivation, work ethic and a positive attitude.
- Must be able to stand, walk, kneel, crouch and for extended periods of time.
- Must be able to work in direct sun, outdoors, in the heat/rain and other environmental elements.
- Must be able to climb ladders and work at heights.
- Must be able to adhere to following SDS and proper PPE usage while handling chemicals.
- Must be available to work days, nights, overnight, weekends and holidays.

All interested and qualified candidates must submit a Letter of Interest and Resume to: Blake Hanagami in person or e-mail to BHanagami@sftp.com
