GROOMING Guidelines

At Six Flags Magic Mountain, we believe that maintaining a professional appearance is important for representing our brand and creating a positive work environment. As such, we have established grooming guidelines to ensure that all employees present themselves in a manner that is clean, neat, and appropriate for the workplace.

- ID CARDS – Unless notified to the contrary, team member IDs must be visible whenever you are on Six Flags property.
- PIERCINGS, BODY MODIFICATIONS – No visible piercings, other than earrings, a single nose stud, or a single small nose ring are permitted. Only one nostril can be pierced. Gauges are not permitted. Visible, intentional body modifications that create a distracting or unprofessional appearance are not permitted. This includes, but is not limited to dental grills, tongue splitting, tooth filling, disfiguring skin or bone implants.
- HYGIENE – A daily shower, the use of deodorant/antiperspirant, and brushing your teeth daily are required due to close contact with guests and coworkers. Perfumes and colognes should be limited.
- HATS, VISORS, SCARVES – must be worn with the bill facing forward, in the middle of your forehead, and parallel to the ground. Only Six Flags and DC branded may be worn in place of approved uniform hat. Scarves are not permitted unless part of an approved uniform.
- HOODIES – As the weather turns colder, we wanted to remind all employees that our grooming guidelines prohibits the use of hoodies, even if the hood is tucked in. While we understand that hoodies can be a comfortable choice for some, they do not fit the professional standards we expect of our employees.
- SUNGLASSES – only allowed for employees working outside. Must not be mirrored and complement your dress or uniform.
