Grooming Guidelines

At Six Flags Magic Mountain, we believe that maintaining a professional appearance is important for representing our brand and creating a positive work environment. As such, we have established grooming guidelines to ensure that all employees present themselves in a manner that is clean, neat, and appropriate for the workplace.

- **ID CARDS** – Unless notified to the contrary, team member IDs must be visible whenever you are on Six Flags property.
- **PIERCINGS, BODY MODIFICATIONS** – No visible piercings, other than earrings, a single nose stud, or a single small nose ring are permitted. Only one nostril can be pierced. Gauges are not permitted. Visible, intentional body modifications that create a distracting or unprofessional appearance are not permitted. This includes, but is not limited to dental grills, tongue splitting, tooth filling, disfiguring skin or bone implants.
- **HYGIENE** – A daily shower, the use of deodorant/antiperspirant, and brushing your teeth daily are required due to close contact with guests and coworkers. Perfumes and colognes should be limited.
- **HATS, VISORS, SCARVES** – must be worn with the bill facing forward, in the middle of your forehead, and parallel to the ground. Only Six Flags and DC branded may be worn in place of approved uniform hat. Scarves are not permitted unless part of an approved uniform.
- **HOODIES** – As the weather turns colder, we wanted to remind all employees that our grooming guidelines prohibits the use of hoodies, even if the hood is tucked in. While we understand that hoodies can be a comfortable choice for some, they do not fit the professional standards we expect of our employees.
- **SUNGLASSES** – only allowed for employees working outside. Must not be mirrored and complement your dress or uniform.

The Flash Pass

Guests can spend their day making thrilling memories, not waiting in lines! THE FLASH Pass allows the guests to continue their fun and ride when it's their turn.

The **Regular** level uses the standby line wait time to reserve a virtual spot in line for our guests.

The **Gold** level reduces the wait by about 50% of the standby line time.

The **Platinum** level reduces the wait by about 90% of the standby line time.

Guest can purchase the Flash pass online by visiting <https://mm.sfflashpass.com/#>

Guest with Membership/Passholder Skip-the-line Passes should be directed to the link above. Once they have logged in to their account, press the three lines on the top left, press "claim entitlements", press "membership/passholder benefits" and fill in the information. To redeem it, they can click on the ride they choose, and press use my Skip-The-Line. The following rides do not accept skip the line passes: CraZanity, West Coast Racers, X2, and WONDER WOMAN: Flight of Courage.

Member Tumbler Retirement

Effective immediately all Red Plastic Member Bottles will be retired as of January 15th. In light of this change, we are extending the use of Red Metal Member Tumblers for one more season. To facilitate this transition, we will soon be providing stickers that can be applied to the Red Metal Member Tumblers, enabling guests to enjoy unlimited drinks in 2024.

A coupon was created for our members to receive the Orange 2024 All-Season Bottle or to obtain a sticker for their Red Metal Member Tumbler, allowing them to enjoy unlimited refills in 2024. Until the stickers are available, we will continue to allow refills in the Red Metal Member Tumbler.

Once the stickers arrive, guests will have to decide whether they would like to exchange their Red Metal Member Tumbler for a new seasonal bottle or apply the sticker for refill access. Distribution of the 2024 Bottles and Stickers will be conducted at participating Food/Beverage locations during regular park operations.
